### STEP 1

Cut 1.5 loops of ring sized memory wire.

### STEP 2

Use the memory wire finishing pliers to make a simple loop going outwards on one end of the memory wire.

### STEP 3

String onto your wire 3 x 4mm Pearls, a 5mm pearl and 3 more 4mm pearls.

### STEP 4

If needed, trim your wire so that the straight side extends past the loop about a half an inch.

### STEP 5

On the other end of your wire make a simple loop again going outwards.

### STEP 6

Now slowly and gently continue to curl your loops a little on each side until they line up together.

### STEP 7

Put the following beads on your head pin and make a large simple loop - 1 each of a 12mm Margarita, 10 Margarita, 8mm Margarita, 6mm Margarita and a small seed bead.

### STEP 8

Open the loop on your dangle and put it through both loops of memory wire so that it hangs down into the ring. Close your loop.

### STEP 9

Open the loop on your ear wire and put it through both loops of the memory wire, close the loop of your ear wire.

### STEP 10

Repeat all steps for other earring.
