Instructions:

STEP 1

Pull about 24 inches out from the spool, and use the spool clip to hold it in place. Do not cut the wire from the spool.

STEP 2

Snip the very end of the beading wire if it's a new spool. String up your design – 17 of the 4 mm beads, one silver heart bead, 14 of the 6mm beads, one silver heart bead, 11 8mm beads. Slide on your pendant. String on 11 8mm beads, one silver heart bead, 14 6mm beads, one silver heart bead, 17 4mm beads.

STEP 3

Thread on one crimp tube, one wire guardian, and one tag. Thread the beading wire down through the crimp tube use the crimping pliers to crimp the crimp tube in place. Trim the end of the wire about an inch and thread it back through the beads to hide it.

STEP 4

Slide the beads down to the crimped part of the necklace. Leave an extra 3 inches of wire and snip it from the spool.

STEP 5

Thread on one crimp tube, one wire guardian, and one lobster claw clasp. Thread the beading wire down through the crimp tube and a few beads, then use the crimping pliers to crimp the crimp tube in place. Snip the excess wire.

STEP 6

Cover each of the crimp tubes with crimp covers.
