Design by Meredith Roddy

Supplies:

- 2 Quick Links or Circle Links (Beadalon, Tierracast)
- 24 Gauge Artistic Wire (Beadalon)
- (28) 4mm beads (Starman/TOHO, Dreamtime, Jesse James Beads, Tierracast, Dakota Stones)
- (2) jump rings (Beadalon, Tierracast)
- (2) ear wires (Beadalon, Tierracast)

Tools (Beadalon):

- Nippers
- (2) Chain Nose Pliers

Instructions:

STEP 1

Cut a 2' piece of 24 gauge Artistic Wire.

STEP 2

Wrap the end of the wire around the Quick Link 3 times to secure.

STEP 3

String a 4mm bead onto the wire. Hold the bead against the Quick Link and wrap the wire three times around the Quick Link. Repeat until you have added 14 beads, or enough to cover the Quick Link.

STEP 4

Thread a jump ring onto the wire and secure in place by wrapping the wire around the Quick Link. Make sure your wraps are even on either side of the jump ring. Trim the excess wire.

STEP 5

Add the earwire through the jump ring.

Repeat to make a second earring.
